### Product Description

A strong, camphoraceous taste that is quite different from traditional green cardamom. (SML PKT)

**Other Common Names:** Chinese Black Cardamom, Cangus, *Botanical Name:*  
*(Amomum globosum)*

Produce of China packed in Australia.

**Description & Use:** Chinese brown cardamom pods are dark brown in colour and are oval pods about 2.5cm long. The aroma is camphor-like and quite different to the better known green cardamom. Use in Chinese dishes and when making a home made master stock. This is not interchangeable with green cardamom in recipes.
