Product Summary

One of the world's rarest spices, also called Melegueta Pepper. (SML PKT)

Product Description

One of the world's rarest spices, also called Melegueta Pepper. (SML PKT)

Botanical Name: (*Aframomum spp.*) **Description & Use:** Also known as Melegueta Pepper, a rare spice indigenous to the West Coast of Africa from Sierra Leone to Angola. These seeds, which are closely related to cardamom, have a sharp peppery bite and refreshing astringency. Use in Moroccan and Tunisian dishes and whenever an exotic pepper taste is required.

Produce of Sierra Leone packed in Australia.

Please Note: Due to W.A. Department of Agriculture restrictions, this product cannot be shipped to Western Australia.
