### Product Summary

A very special premium grade Mexican 2 folds vanilla extract. (25mL bottle)

### Product Description

A very special premium grade Mexican 2 folds vanilla extract. (25mL bottle)

**Other Common Names:** Vanilla Bean, Vanilla Pod, Vanilla Extract. *Botanical Name:* (*Vanilla planifolia*, *V. fragrans*)

**Contains:** Alcohol, Water, Vanilla, Sugar.

**Description & Use:** Vanilla is made by drying and curing the green, tasteless pod from a tropical, climbing orchid that is indigenous to South America. The curing process takes up to 3 months and by the time it is completed, a Vanilla Bean may have been handled from between 200 to 250 times!

**Herbie's Spices Vanilla Extract** is made by steeping chopped, cured Vanilla Beans in alcohol and then distilling-off much of the spirit.

Use **Herbie's Spices** natural Vanilla Extract instead of artificial Vanilla essence for a rounder, more full-bodied taste. Produce of Mexico packed in Australia.
